
SoDak Labs, Inc., Brookings, South Dakota is seeking qualified candidates for the position of Seed Technologist. This full time position offers a competitive salary and benefits. The position is located in Brookings, South Dakota.

Seed Technologist - Primary Responsibilities:

This position will conduct physical purity, cultivar purity, trait and germination tests including standard, vigor and herbicide bioassay tests.

Specific Responsibilities include, but are not limited to:

- Evaluate germinating seeds/seedlings per established procedures/rules on standard, vigor, tetrazolium and herbicide bioassay tests on all submitted species.
- Troubleshoot and monitor for irregularities in test results, media, temperatures, equipment and facilities.
- Examine seed samples to identify other seed species, classifying inert matter, classifying true/off-types varieties and measuring physical characters.
- Review AOSA, ISTA and Canadian Rules and Seedling Evaluation references periodically.
- Expand knowledge and professionalism in seed technology by participating in in-house continuing education, enrolling in relevant coursework, attending workshops, participating in professional seed technology committees and associations.

Quality Management System:

- Insure quality and confidentiality of client and company information.
- Review and update quality manual procedures and records for standard testing.

Corporation:

- Assist in other areas of the company as needed.
- Promote responsibility, good work habits, a positive work environment and improving customer service.

Qualifications/Skills:

- Degree in Agriculture or Biological Sciences preferred. Registered Seed Technologists (RST) desired.
- Experience in seed testing, laboratory work, and/or agricultural experience preferred.
- Must be well organized, able to work independently and as part of a team.
- Must be able to sit and stand for extended periods.
- Must have excellent communications skills. Ability to establish and maintain effective working relationships.
- Must be able to regularly lift 15-20 pounds and able to manage numbers mentally.
- Must be a self-starter and able to work in a fast paced work environment.
- Must be able to display a strong sense of urgency and good judgment.

ADDITIONAL INFORMATION

- To perform this job successfully, an individual must be able to perform each essential duty satisfactorily with or without reasonable accommodations. The requirements listed above are representative of the knowledge, skill,
